WFPS Names Next Principal for Sheyenne High School

West Fargo, ND – (April 7, 2017) – It is with great pleasure that Superintendent Dr. David Flowers and Assistant Superintendent of Secondary Education Dr. Allen Burgad announce that Dr. Pam Cronin has accepted the position as the next principal at Sheyenne High School.

Dr. Cronin has a Doctorate in Educational Leadership from the University of North Dakota, Master of Arts in Curriculum & Instruction from the University of St. Thomas, and a Bachelor of Science in Science Education from the University of North Dakota.

“Dr. Cronin has been with Sheyenne since its inception a decade ago, serving as a talented and driven leader for students, staff, and the community. We are honored to know that she will continue to serve Sheyenne in an administrative capacity and we are confident she will lead in a manner that is consistent with the district’s mission and vision, as well as the culture and climate of Sheyenne High School,” stated Dr. Burgad.

From 1999-2007, Dr. Cronin was the high school principal in Larimore, North Dakota. In the fall of 2007, she came to West Fargo Public Schools and became the first assistant principal of the Sheyenne Ninth Grade Center. She maintained the position of assistant principal when the school transitioned to Sheyenne High School in 2013. Following the passing of Sheyenne High School’s principal, Dr. Greg Grooters, this past November, Dr. Cronin has been serving as interim principal. She will officially move into the role of principal in July.
